

SYNERGY CAPITAL SUCCESSFULLY COMPLETE ITS THIRD EXIT IN THREE MONTHS

Dubai – April 21, 2022

Over the last five years, Synergy Capital has made 11 investments totalling US\$775 million, including co-investors, and has completed three exits.

Synergy Capital is pleased to announce the US\$51 million repayment of a debt investment to provide last-mile project financing to quadruple production capacity at our investee company based out of Singapore, with operations in Indonesia. The project was completed in Q1 2022. During our four-year holding period, Synergy Capital worked closely with the investee company on project planning and execution and helped expand the management team. We are excited by the results of this investment for the investee company and Synergy Capital's Limited Partners.

Synergy Capital invests across the capital structure in the Industrials, metals, and infrastructure sectors globally. We invest in critical sectors that generate strong human and economic impact which are central to enabling the net-zero energy transition and the development of resilient and sustainable supply chains.

Over the last five years, Synergy Capital has made 11 investments totalling US\$775 million, including co-investors, and has completed three exits.

Synergy Capital is uniquely positioned to become your business partner of choice, and we look forward to finding opportunities to work with you.
